DD/S&T Staff Meeting  
Thursday, 22 Aug '68

Deputy Director:

1. Mentioned that the DCI had asked the Office of Personnel to do a detailed study on why the number of Career Trainees who are leaving the Agency seems to be increasing. It seems that many of them get disillusioned during their first assignment after finishing their training program. There is a feeling that they need more of a real challenge in their assignments and added responsibility. The DD asked the office chiefs to make sure that any Career Trainees assigned to their respective offices get a challenging job. In fact, this should not only pertain to CT's but to all new employees.

2. Said that [ ] will be with us on Monday and Tuesday. [ ] is not on the agenda for discussion. FE feels this is not the time to raise questions on [ ]
